

RMGA President's Newsletter – November 2025

RMGA Opening Day Golf and Annual Meeting

The Opening Day Golf and Annual Meeting was held on Saturday November 8th, and it was a fun day of golf and lunch, followed by the Annual Meeting. We had a record turnout of 91 players, so thank you all for participating. The flight winners were

- First Flight – John Wilson, Pete Flick, Steve McMonigal and John Kraus
- Second Flight – Gary Wallace, Jerry Tippin, Dave Roseberry and Jim Nichols

President's Cup Matches

Part of the Opening Day event was also the seeding for the President's Cup matches. If you signed up to play the first-round matches are available in the Pro Shop. Once your opponent is determined you have 2 weeks to play each match. The match play event is with full handicap and played from November through January. The top four finishers win both cash and pro shop credits.

Overseeding

Monday, December 1st – Course Closed for Overseeding and the following two weeks will be Cart Path only.

Divots and Ball Marks

The RMGA urges all members to put sand in divots and repair ball marks on the putting greens, even those that are not yours.

Putting Green Speed

The putting greens were perfect on Opening Day. Laurie had them double cut and rolling above 10 on the stimp meter. Thank you, Laurie, please keep them at this speed all winter, we love them nice and fast.

Thank you from the President

This Newsletter is my last official act as your President, and I would like to thank all the members of the RMGA for your support during the last 2.5 years. It has been an honor to serve as your President, and I wish the incoming Board of Directors nothing but the best in the future. Cheers! Gary Hess

We hope you have a Wonderful Thanksgiving!!
