

RMGA Newsletter – July/August 2025

RMGA Summer Member-Member

The annual RMGA Summer One Day Member-Member will be held on Saturday September 27th. It will be an 8:30 shotgun start and will include a free lunch and beer, so pick your partner and sign up in the Pro Shop, starting August 27th.

RMGA Wednesday Game Maximum Score per Hole

As a reminder, the highest score you can have on any hole is a **net** double bogey. If you have one dot on the score card on hole #2 and you make an 8, you should post a 7. This rule does not apply in gross score events, club championships or tournaments and is in place to improve speed of play on Wednesdays and Fridays.

Golf Cart Etiquette

We are fortunate that Coral allows many of us to ride solo in golf carts, but lately many players have elected to drive ahead of their group to hit their next shot. Not only is this disrespectful to the rest of your group, but it is also dangerous and needs to stop. Please hang with your group until every player has hit the green and then proceed.

Welcome to our new Golf Professional

If you haven't already done so, please stop in the Pro Shop and introduce yourself to our new Head Professional, Dustin Lallier. He is excited to be part of the Rosedale golf community, and we wish him well.

New Tee on Hole 13

Next time you are on hole 13, look to the left of the cart path and you will notice the start of a new tee, which will accommodate the white and black tees. Once complete, this will allow the existing tee to heal more rapidly, and it actually is a better angle to the green.

Green Aerification

The course will be closed on Monday 9/8 and Tuesday 9/9 for the final aerification.

Please Sand your Divots and Fix your Ball Marks

Help the Adopt a Hole Team and sand any divots and fix any ball marks on the greens.

Stay hydrated.....it is hot out there!
